

TREY BELLS...

DING DONG
DING

ring-a-
-ling-a
ding-dong-ding
!

Trey starts singing...
Just hear those trey
bells jingling, ring
tingle tingling too
(ring-a-ling-a
ding-dong-ding!)

Come on, it's lovely
weather for a walk in a
wintery hinterland
(ring-a-ling-a
ding-dong-ding!)

WHAT
EVER
HAPPENED TO
SANTA?

ring-a-ling-
a ding-dong-ding
!

WALKING
WILL TAKE
FOREVER!!

Trey bells ring, are you listenin'?
In the swamp, mud is glistenin'

*A beautiful sight,
We're happy tonight,
Walking in a winter
hinterland.*

Gone away is the dry land,

I LIKED THE SNOW ?

WHERE ARE WE?

HA!
HA!
HA!

Here to stay is an island,

WHO NEEDS SNOW??

*The waves kiss the
shore,
As we all adore,
Walking in a winter
hinterland.*

*In the meadow we
can set a picnic,
And pretend that
ants don't make
us frown,*

*People'll say:
Are you
crazy?
We'll say:
WHOA man!
Get us some ant
killer
When you're
in town.*

**HA!
HA!
HA!**

*To face unafraid,
The swamp that
we've made,
Walking in a
winter
hinterland.

(No hinterlands
were harmed in
the making of this
spoof!)*

MERRY CHRISTMAS
